PINOT NOIR YARRA VALLEY 2020

BLEND 100% Pinot Noir

DE BORTOLI

The De Bortoli family story started 90 years ago, when Vittorio and Giuseppina De Bortoli settled in Australia and first started making wine. Today, as the fourth generation look to enter the family business, De Bortoli Wine's official motto *Semper ad Majora* ("always striving for better") remain as true as ever.

VITICULTURE

The grapes for this exclusive blend are sourced from a selection of premium estate vineyards from cooler sites for the elegance and purity these grapes offer. The blend sources 71% from Lower Yarra and 29% Upper Yarra to strike a perfect balance between fragrance and structure.

VINIFICATION

Grapes are hand-picked and sorted into a balance between berries and whole bunches. Fermentation is activated with ambient yeast and then allows 15-20 days maceration. The blend is then pressed and racked into new and used barriques for 9 months.

2020 VINTAGE

Chief winemaker Steve Webber commented on how 2020 was a cool season with timely rainfall and near perfect growing conditions for Pinot Noir, with good Autumn ripening and natural acidity.

TASTING NOTE

Bright ruby hue with ethereal, fragrant red and dark fruit aromas. Graceful, soft berry fruit on the palate that balances aromatics and texture with fine tannin. A long, generous and balanced finish dappled with light spice. Vegan friendly.
